2017 AHF New Jersey Chapter Membership Pricing

Registration

Now - Active Operator Membership is \$95 per year - Granted to those individuals who are currently employed and have substantial administrative and management responsibility of a food service department, or have been promoted to an administrative position and whose management responsibilities include the food service department.

Now - Allied Membership is \$175 per year - Granted to those individuals who are currently employed and are active in areas other than food service in healthcare institutions, but have a continuing interest and relationship to the food service department. Allied membership is usually associated with vendor or corporate participation or consulting companies.

Student Membership \$25 per year -- Granted to students who are enrolled in an accredited dietetic, food service or culinary program.

Take a look at some of the benefits you will receive

Educational Seminars

- Members are afforded the opportunity to attend monthly meetings and seminars featuring guest speakers presenting relevant topics to enhance quality health care food and nutrition services.

Scholarships

- Ability to seek scholarship funds sponsored by the society in order to enhance managerial and/or technical skills in health care food and nutrition services.

Recognition Programs

- To celebrate National HealthCare Food Service Worker Week (every October).

Networking Opportunities

- Access to a leadership network with the opportunity to exchange information and share ideas with literally hundreds of colleagues from across the state and country.

Professional Achievement Awards

- Eligibility to participate in the ASHFSA Professional Recognition Program. This is a program that recognizes members for their accomplishments in education, experience, and society leadership.
